No, thank you.
 I do not wish to give.

We have not provided you with any goods or services in exchange for this pledge. Gifts designated to specific agencies are assessed fundraising, management and general fees based on the historical costs in accordance with United Way Worldwide membership standards. Designations may not be paid to an agency that is not in good standing with the IRS, non-compliant with the Patriot Act, or not within the policy of United Way of Pasco County. Once a designation is identified as non-compliant, United Way of Pasco County will notify the donor by email or letter that a donation designation may not be processed. If the donor does not respond within three weeks, that donation will be treated as undesignated. Tax receipts, where required, will be mailed the January following payments. For payroll deduction gifts your year-end pay stub & copy of your pledge card are required for tax purposes.
