REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

The Board of Directors
United Way of Pasco County, Inc.
Land O' Lakes, Florida

We have audited the accompanying financial statements of United Way of Pasco County, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2021 and 2020, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way of Pasco County, Inc. as of June 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of allocations on page 29 is presented for purposes of additional analysis and is not a required part of the financial statements. The accompanying schedule of expenditures of federal awards on page 21, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 5, 2021, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

UNITED WAY OF PASCO COUNTY, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

NOTE A – DESCRIPTION OF ORGANIZATION

United Way of Pasco County, Inc. (the Organization) is a not-for-profit organization governed by a volunteer board of directors. The Organization's mission is to improve peoples' lives in Pasco County by identifying the most important health and human service needs, advocating and developing resources and partnerships to address those needs, and producing measurable results. The Organization is dedicated to helping people invest resources to make the greatest difference in meeting identified human needs in their community. The Organization raises funds from individuals and corporations in the Pasco County, Florida area that are distributed to health and human service agencies (i.e. partner agencies).

The Organization achieves its mission through Community Impact as follows:

Community Impact involves bringing diverse people and resources together to address the most urgent issues facing our community. Through unique partnerships and approaches, the Organization mobilizes resources beyond the dollars that are pledged through fund-raising efforts.

- **Community Impact:** The allocation of funds to partner and other agencies enables the Organization to create sustained changes in lives and create meaningful and tangible solutions for the needs of our community.
- **Prosperity Campaign:** A free tax preparation assistance service available to low income families in Pasco County providing education on the benefits of the Earned Income Tax Credit and other tax credits available to them. The initiative aims to increase the economic success of low-income working families by linking them to effective asset-building strategies.
- **Information and Referral:** Provides information, referral, and advocacy services to callers through the 24/7 2-1-1 helpline.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Net assets without donor restrictions - Net assets that are not subject to donor-imposed stipulations, including restricted contributions whose restrictions are met in the same reporting period.

Read Report of Independent Certified Public Accountants.

UNITED WAY OF PASCO COUNTY, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Basis of Presentation (continued)

Designations of net assets without donor restrictions are summarized as follows:

Invested in property and equipment is equal to the net book value of property and equipment.

Operating reserves are to be used within guidelines established by the board of directors. The general purpose of the fund is to help ensure the long-term financial stability of the Organization and position it to respond to varying economic conditions and changes affecting the Organization's financial position and conditions of the Organization's non-profit partners.

Designated for endowment is the level of investments designated by the board of directors to earn interest and appreciation with the long-term goal of growth.

Net assets with donor restrictions - Net assets subject to donor-imposed stipulations that:

- may or will be met, either by actions of the Organization and/or the passage of time. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.
- are maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on any related investments for general or specific purposes.

Estimates

The preparation of the financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Cash and Cash Equivalents

The Organization considers currency on hand, demand deposits and money market funds as cash for purposes of the Statement of Cash Flows.

Grants Receivable

Grants receivable result from services which have been provided pursuant to the Organization's grants, but for which reimbursement has not yet been received at June 30, 2021 and 2020. No allowance was set up for these grants as any amounts determined unallowable by the grantor are deducted from revenue upon notification of the disallowance. No material amounts were subsequently disallowed with respect to the amounts recorded at June 30, 2021 and 2020.

Read Report of Independent Certified Public Accountants.

UNITED WAY OF PASCO COUNTY, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Annual Fundraising, Contributions and Allowance for Uncollectible Pledges

The Organization conducts year-round fundraising activities via direct solicitation to individuals and corporate contributors. Contributions received, including unconditional promises to give, are recorded as unrestricted or restricted depending on the existence or nature of any donor restrictions. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire or are otherwise satisfied in the fiscal year in which the contributions are recognized.

The allowance for uncollectible pledges is computed based upon a three-year historical average adjusted by management estimates of current economic factors, applied to individual campaigns, including donor designations.

Designations

Pledges received which are designated to a specific agency or to another United Way organization are not recorded as campaign revenue. These designations are recorded as a liability when the promise to give is received, net of an allowance for uncollectible pledges.

Government Contracts

Revenues from contracts are recorded based upon terms of the agreements which generally provide that revenues are earned when the allowable costs of the specific grant provisions have been incurred. Revenues are subject to audit by the agency and, if the examination results in a disallowance of any expenditure, repayment could be required. Management believes that all moneys have been earned as of June 30, 2021 and 2020.

Property and Equipment

Property and equipment are recorded at cost or, in the case of donated items used in operations, at fair value on the date received. Acquisitions of property and equipment in excess of \$2,500 that provide a long-term benefit are capitalized.

Depreciation of property and equipment is provided for by the use of the straight-line method over the estimated useful lives of each asset – building and building improvements, 35-39 years, and furniture and equipment, 3-10 years. Property and equipment and accumulated depreciation are relieved upon retirement or sale and the related gain or loss is included in the statement of activities and changes in net assets.

Donated Materials and Services

The Organization records various types of in-kind contributions. Contributions of goods and property are recognized at fair value when received. The amounts reflected in the accompanying financial statements as in-kind contributions are offset by like amounts included in expenses or additions to property or inventory.

Donated services are recorded at their approximate fair value if they create or enhance non-financial assets, are of a specialized nature, are provided by an individual possessing those skills, and would have been purchased if not donated.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Fair Value of Financial Instruments

Professional standards require disclosure of an estimate of fair value of certain financial instruments. Unless otherwise disclosed in the notes to the financial statements, the carrying values of financial instruments, including cash, receivables, and other short-term assets and liabilities, approximate fair value.

Concentration of Credit Risk

Financial instruments, which potentially subject the Organization to concentrations of credit risk, consist principally of cash and cash equivalents and investments. The Organization places its deposits with high quality, credit-worthy financial institutions and investment companies. Accounts at financial institutions are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. The amount in excess of the FDIC limit totaled \$0 and \$321,977 for the years ended June 30, 2021 and 2020, respectively. The Organization reviews its cash positions to minimize its exposure and mitigate its risk of loss.

Concentration of Income Source

For the years ended June 30, 2021 and 2020, the Organization received approximately 59% and 71%, respectively, of its campaign contributions from a single source for approximately 20% and 39%, respectively, of the Organization's total revenue.

Income Taxes

The Organization is exempt from federal income taxes under section 501(c)(3) of the Internal Revenue Code and similar state provisions. The Organization is treated as a public supported organization, and not as a private foundation. Accordingly, no provision for income taxes has been reflected in the accompanying financial statements. The Organization accounts for uncertain tax positions, if any, in accordance with ASC Section 740.

Management is not aware of any activities that would jeopardize the Organization's tax-exempt status. The Organization is not aware of any tax positions that it has taken that are subject to a significant degree of uncertainty. The Organization believes it is no longer subject to income tax examinations for fiscal years ending prior to June 30, 2018.

Allocations

Allocation expense is recognized when the commitment is made to pay allocations to participating agencies.

Functional Allocation of Expenses

Expenses are shown by natural expense classification and function in the accompanying statement of functional expenses. Expenses that are attributable to more than one program or supporting function are allocated on a reasonable basis that is consistently applied. Allocations are based on direct usage or management's estimate of the benefit derived by each activity. Management's estimates may be based on factors such as time and effort, square footage, clients served, or any other reasonable basis. The expenses that are allocated on the basis of estimates of time and effort are salaries, employee benefits and payroll taxes. Facilities, maintenance, insurance, utilities and depreciation are allocated on a square footage basis.

Reclassification

Certain 2020 amounts have been reclassified to conform to the 2021 presentation.

NOTE C – LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The following reflects the Organization’s financial assets as of the statement of financial position date. These financial assets are required to be reduced by those not available for general use within one year of the statement of financial position date:

	<u>2021</u>	<u>2020</u>
Financial assets:		
Cash and cash equivalents	\$ 231,011	\$ 508,451
Investments	2,147,170	1,684,097
Grants receivable	26,516	84,167
Pledges receivable	<u>680,398</u>	<u>360,121</u>
Financial assets, at year end	3,085,095	2,636,836
Less those unavailable for general expenditure within one year due to:		
Restricted by donors with purpose restrictions	(141,950)	(128,528)
Board designated for endowment	<u>(420,765)</u>	<u>(323,127)</u>
Financial assets available to meet cash needs for general expenditures within one year	<u>\$ 2,522,380</u>	<u>\$ 2,185,181</u>

The Organization structures its financial assets to be available as its general expenditures, liabilities, and other obligations come due and strives to operate within a prudent range of financial soundness and stability, maintain adequate liquid assets to fund near-term operating needs, and maintain sufficient reserves to provide reasonable assurance that any long-term obligations will be discharged. Financial assets in excess of daily cash requirements may be invested in money market funds or other short-term investments.

The Organization receives grants and contributions restricted by donors. The Organization considers grants and contributions restricted for programs which are ongoing, major, and central to its annual operations to be available to meet cash needs for general expenditures.

NOTE D – INVESTMENTS AND FAIR VALUE MEASUREMENTS

Professional standards establish a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under professional standards are described below:

Level 1

- Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2

- Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

- Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable input and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for the assets measured at fair value:

Investments in cash alternatives, equities, and mutual funds are valued at the closing price on the active market which the individual securities are traded.

NOTE J – ENDOWMENT (continued)

Interpretation of Relevant Law

The Board of Directors has interpreted the law as requiring donor restricted net assets in an endowment fund to remain restricted until appropriated for expenditure by the Organization for the donor's intended purpose. In accordance with the Florida Uniform Prudent Management of Institutional Funds Act (FUPMIFA), the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- 1) The purposes of the organization and the donor-restricted endowment fund
- 2) General economic conditions
- 3) The possible effect of inflation and deflation
- 4) The expected total return from income and the appreciation of investments
- 5) Other resources of the organization
- 6) The duration and preservation of the endowment fund

Return Objectives and Risk Parameters

The Organization has adopted investment and spending policies for the endowment assets that attempt to provide long-term funding for the Organization. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner to achieve the overall target asset allocation of equity, fixed income and cash, minimize risk and maximize return within acceptable guidelines and achieve a competent rate of return.

Spending Policy

The original board designated contributions to the endowment and subsequent contributions are to provide a consistent source of funding for the initiatives and charitable activities of the Organization. The investment management of the endowment is directed toward maximizing the long-term total return of the fund while maintaining prudent fiscal guidelines. No part of the net earnings of the funds shall inure to the benefit of any individual.

NOTE K – COMMITMENTS

The Organization has a two year contract with Heart of Florida United Way for information and referral services through the 2-1-1 helpline. During the years ended June 30, 2021 and 2020 the Organization paid \$99,045 and \$96,160, respectively for these services. The current contract expires on June 30, 2022. The contract commitment for the year ended June 30, 2022 is \$102,216.

UNITED WAY OF PASCO COUNTY, INC.
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
JUNE 30, 2021

NOTE 1 – BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of United Way of Pasco County, Inc. (the Organization) under programs of the federal government for the year ended June 30, 2021. The information in this schedule is presented in accordance with the audit requirements of Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

Pursuant to the Uniform Guidance, the Organization, as a sub-recipient of federal awards, has provided the name of the pass-through entity and the identifying description and number assigned by the pass-through entity when available from the pass-through entity. The Organization has provided the total federal awards expended for each individual federal program and the Assistance Listing Number (ALN) or other identifying information when the CFDA information is not available. The Uniform Guidance does not require the Organization to provide this information, nor a breakdown of amounts awarded by ALN if that information is not available from the awarding agency.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors of
United Way of Pasco County, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of United Way of Pasco County, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 5, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS ON COMPLIANCE
FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER
COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors of
United Way Pasco, Inc.

Report on Compliance for Each Major Federal Program

We have audited United Way of Pasco County, Inc.'s (the Organization) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2021. The Organization's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
